Shift Engineer

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles

🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Energetic Shift Engineer with 2 years of experience in managing and maintaining critical equipment in fast-paced environments. Proficient in troubleshooting, system optimization, and ensuring safety compliance. Eager to leverage my technical skills to drive operational efficiency and contribute positively to facility management.

WORK EXPERIENCE

Shift Engineer

📅 Feb / 2024-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Monitored and controlled equipment operations, including chillers and air handlers, to ensure optimal functionality.
2. Completed detailed logs and reports, addressing discrepancies found during inspections to maintain compliance.
3. Ensure compliance with safety regulations and company policies.
4. Operated and maintained HVAC systems, focusing on heating, ventilation, and life safety systems.
5. Conducted water treatment testing and system diagnostics to ensure operational efficiency.
6. Provided technical training and mentorship to junior engineers and maintenance staff.
7. Assisted the Chief Building Engineer with administrative and operational tasks to enhance facility management.

Shift Engineer

📅 Feb / 2023-Feb / 2024

Summit Peak Industries

📍 Denver, CO

1. Oversaw maintenance operations for hospital facilities, including electrical, plumbing, and HVAC systems.
2. Managed the operation of 1-ton chillers and pneumatic tube systems, ensuring high performance.
3. Performed regular inspections and preventive maintenance on mechanical systems, enhancing reliability.
4. Carried out minor electrical and plumbing repairs to maintain operational standards.
5. Monitored air handling units and conducted repairs as necessary to ensure optimal environmental conditions.

EDUCATION

Bachelor of Science in Mechanical Engineering

📅 Feb / 2022 - Feb / 2023

University of Albany

📍 Seattle, WA

Focused on thermodynamics, fluid mechanics, and system design relevant to engineering applications.
