Objective

Enjoy Site team leader positions that involve complex thinking and problem solving. I have experience leading teams in a variety of settings. Being able to quickly assess and learn what is going on allows me to jump right in and be proactive and hands on with leading the team. I hold a two - year college degree, prior experience, and numerous certificates. I make sure my work is near perfect before submitting it.

Skills

Microsoft Power-point, Word-press, Wix.

Work Experience
