PROFESSIONAL SUMMARY

Dedicated Slot Technician with 10 years of extensive experience in the gaming sector, excelling in the installation, troubleshooting, and maintenance of gaming machines. Proficient in diagnosing technical issues and implementing effective solutions to enhance operational efficiency. Eager to leverage expertise in a dynamic environment to drive performance and elevate guest satisfaction.

WORK EXPERIENCE

Sr. Slot Technician Jan / 2019-Ongoing
Seaside Innovations Santa Monica, CA

- 1. Installed and configured slot machines and gaming devices according to established specifications and floor plans.
- 2. Performed preventative and corrective maintenance on gaming machines, ensuring optimal functionality and compliance with safety standards.
- 3. Conducted detailed troubleshooting of electronic and mechanical systems, resolving issues to minimize operational interruptions.
- 4. Recommended and implemented improvements to circuitry and installation processes to enhance assembly efficiency.
- 5. Collaborated with team members to improve machine performance and reliability.
- 6. Documented repair processes and results, creating technical reports and schematics to assist in future maintenance.
- 7. Monitored and evaluated the performance of installed equipment, making adjustments as necessary to optimize system functionality.

Slot Technician Jan / 2015-Jan / 2019
Crescent Moon Design Portland, OR

- 1. Executed immediate and scheduled maintenance on gaming machines and related hardware to ensure peak performance.
- 2. Diagnosed and repaired machine faults, isolating issues to the component level for efficient resolution.
- 3. Reviewed and applied technical manuals and service guides to support repair and maintenance tasks.
- 4. Collaborated with senior technicians on complex repairs, enhancing team knowledge and skill sets.
- 5. Maintained accurate records of maintenance activities and machine performance, contributing to data-driven decision-making.
