AVA DAVIS

Software Developer Intern

✉ support@qwikresume.com 📞 (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Aspiring Software Developer Intern with 5 years of experience in full-stack development. Proficient in building scalable applications and passionate about leveraging technology to solve complex problems.

WORK EXPERIENCE

Software Developer Internships
📅 Jan / 2021-Ongoing

Maple Leaf Consulting 📍 Toronto, ON

1. Engineered a distributed chat application using RMI, enabling real-time communication between multiple clients.
2. Implemented client-server architecture, allowing clients to send and receive messages seamlessly.
3. Developed private chat functionality by managing remote references through the server.
4. Created a server that efficiently updates clients upon login or logout events.
5. Designed an intuitive GUI using Swing components for enhanced user experience.
6. Built an online shopping cart application, facilitating e-commerce for web clients.
7. Managed a database-driven catalogue to display available items for purchase.

Software Developer Intern
📅 Jan / 2020-Jan / 2021

Summit Peak Industries 📍 Denver, CO

1. Developed a Job Posting Application for the University Honors program to streamline volunteer opportunities.
2. Enabled users to browse and select job postings to fulfill program requirements.
3. Utilized Master Pages for consistent UI design across the application.
4. Implemented role-based security and authentication using .NET security models.
5. Created user-friendly screens to display job positions and their statuses.

EDUCATION
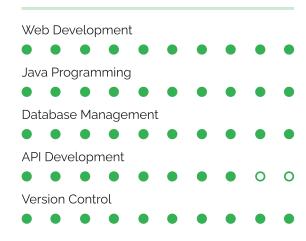

Bachelor of Science in Computer Science
📅 Jan / 2019 - Jan / 2020

University of California, Berkeley 📍 Santa Monica, CA

Focused on software development, algorithms, and database management.

SKILLS

Web Development
●●●●●●●●●●

Java Programming
●●●●●●●●●●

Database Management
●●●●●●●●●●
