## 💡 SKILLS

System Inventory Control

Solar Panel Installation

Electrical Troubleshooting

System Design

Safety Compliance

## 🎯 INTERESTS

- 🔧 DIY Projects
- ✂️ Crafting
- 🧘 Meditation
- 🏛️ History

## 👊 STRENGTHS

- 🌱 Humility
- 💡 Innovation
- 👁️ Insightfulness
- ✅ Integrity

## 🗣️ LANGUAGES

## 🌟 ACHIEVEMENTS

- 🌟 Successfully installed over 500 solar systems, enhancing energy efficiency for clients.
- 🌟 Achieved a 98% customer satisfaction rate through quality installations and service.

## 👤 PROFESSIONAL SUMMARY

Experienced Solar Electrician with 7 years in solar panel installation and maintenance. Proficient in troubleshooting, system design, and adhering to safety standards. Committed to delivering high-quality work and enhancing renewable energy solutions.

## 💼 WORK EXPERIENCE

Solar Electrician

📅 Jan / 2021-Ongoing

WidgetWorks Inc.

📍 Denver, CO

1. Installed various solar systems in residential and commercial properties, ensuring compliance with local codes.
2. Conducted thorough troubleshooting of solar systems, providing 24/7 service support to clients.
3. Designed and implemented PV wiring diagrams, optimizing system performance.
4. Maintained a clean and organized work environment, adhering to safety protocols.
5. Obtained multiple certifications in hazardous materials handling and safety training.
6. Collaborated with team members to enhance installation efficiency and quality.
7. Provided training to junior electricians on best practices and safety standards.

Solar Electrician

📅 Jan / 2018-Jan / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Worked in confined spaces to construct racking systems and install DC feeders into inverters.
2. Contributed to a large-scale solar farm project spanning 1200 acres, ensuring timely completion.
3. Performed electrical installations for both ground-mounted and rooftop solar systems.
4. Maintained a safe project area by implementing strict safety measures and reading blueprints.
5. Executed wire pulling and trench work, ensuring proper installation of electrical components.

## 🎓 EDUCATION

Associate of Applied Science in Electrical Technology

📅 Jan / 2015      Jan / 2018

Southern Technical College

📍 Chicago, IL

Focused on electrical systems, safety protocols, and renewable energy technologies.
