PROFESSIONAL SUMMARY

Dedicated Spanish Medical Interpreter with over 5 years of experience facilitating communication between healthcare providers and Spanish-speaking patients. Proficient in medical terminology and cultural nuances, ensuring accurate and sensitive interpretation in various medical settings. Committed to enhancing patient understanding and care through effective language support.

WORK EXPERIENCE

Spanish Medical Interpreter

📅 Feb / 2021-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Provide first-person interpretation for medical consultations, surgeries, and emergency visits, ensuring patient comprehension.
2. Interpret for school conferences and IEP meetings, aiding non-English speakers in navigating educational systems.
3. Utilize extensive medical vocabulary gained through training to facilitate accurate translations in clinical settings.
4. Witness and interpret during critical medical situations, reinforcing the value of health and life.
5. Differentiate between language translation and medical interpretation, ensuring precise terminology is used.
6. Demonstrate empathy and attentiveness to patient needs, fostering a supportive environment.
7. Understand that medical interpretation skills can be applied across various fields, enhancing overall communication capabilities.

Spanish Medical Interpreter

📅 Feb / 2018-Feb / 2021

Lakeside Apparel Co

📍 Chicago, IL

1. Interpret for patients and families in various healthcare encounters, from routine check-ups to complex care scenarios.
2. Educate staff on the importance of utilizing professional interpreters to ensure accurate communication.
3. Provide opportunities for staff to observe interpretation sessions, sharing insights and challenges within the field.
4. Employ effective communication skills to interpret accurately between languages, considering both verbal and non-verbal cues.
5. Conduct telephone interpretations, connecting patients with healthcare providers and resources for comprehensive support.

EDUCATION

Bachelor of Arts in Spanish

📅 Feb / 2015-Feb / 2018

University of Texas

📍 Phoenix, AZ

Focused on advanced language skills and cultural studies to enhance communication in diverse settings.
