BENJAMIN LEE

SQL Server DBA/Developer

✉ support@qwikresume.com 📞 (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Over 14 years of experience as Sql Server DBA and total of 25 years experience in the IT industry.e/ ion Extremely high skill in trouble shooting performance problem Excellent team player who can work wih diverse team and give excellent results Expert level knowledge in Sql Server Database Administration for both sql 2005/sql.

WORK EXPERIENCE

SQL Server DBA/Developer
📅 Jun / 2018-Ongoing

Blue Sky Innovations
📍 Chicago, IL

1. SQL Server Database Administration Responsibilities: DB Migration, code deployments, backups and recovery, DB upgrade, performance tuning and optimization, troubleshooting and error resolution, DB and Logins creation and granting privileges, OLTP, OLAP.
2. Monitoring and tuning of SQL Server versions 2005 & 2008, 2008R2, 2012, and 2014 Managed Security using SQL Logins, Roles and Security Modes for various users.
3. Rebuilding the indexes on regular intervals and placing the huge table/non-clustered index on the separate file group to improve the performance.
4. Optimized the query performance with modification in TSQL queries, removing unnecessary columns, eliminating redundant and inconsistent data, normalizing database, establishing necessary joins, creating useful clustered index and non-clustered indexes.
5. Developed and created the new database objects including tables, views, index, stored procedures and functions, advanced queries and also updated statistics using Query Analyzer and Enterprise Manager on the existing servers.
6. Analyze execution plans and generate suggestions for improvement.
7. Managed SQL Server databases, ensuring 99.9% uptime and optimizing performance for critical applications.

SQL Server DBA
📅 Jun / 2015-Jun / 2018
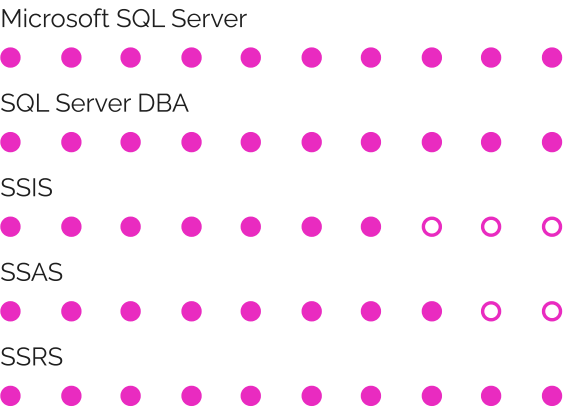

Crescent Moon Design
📍 Portland, OR

1. Migration from Legacy to SQL Server Azure.
2. Converting scripts, SSIS and SSRS packages.
3. Performed 24/7 on call duty support on a bi-weekly basis to ensure optimum server performance.
4. Strong Skill set in SQL Administration using Windows.

EDUCATION

Bachelor of Science in Computer Science
📅 Jun / 2012 - Jun / 2015

University of Technology
📍 Seattle, WA

Focused on database management, software development, and systems analysis.
