PROFESSIONAL SUMMARY

Experienced Staff Geotechnical Engineer with a decade of expertise in subsurface investigations and foundation design. Proven leader in managing multidisciplinary projects, ensuring compliance with safety and environmental regulations. Committed to delivering innovative geotechnical solutions that enhance project performance and sustainability.

WORK EXPERIENCE

Staff Geotechnical Engineer
WidgetWorks Inc.

📅 Mar / 2019–Ongoing
📍 Denver, CO

1. Scheduled and supervised field soil explorations to assess subsurface conditions.
2. Managed laboratory soil tests following ASTM and AASHTO standards to ensure quality control.
3. Conducted utility location assessments for water, power, and sewage systems.
4. Provided geotechnical engineering and project management services adhering to company standards.
5. Participated in site characterization activities, including soil testing and subsurface surveys.
6. Collaborated with cross-functional teams to develop innovative geotechnical solutions.
7. Prepared comprehensive geotechnical reports for client review and compliance.

Staff Geotechnical Engineer
Crescent Moon Design

📅 Mar / 2015–Mar / 2019
📍 Portland, OR

1. Inspected project sites to monitor progress and compliance with design specifications.
2. Conducted materials testing and analysis using advanced geotechnical tools.
3. Explored subsurface conditions through extensive field testing and analysis.
4. Planned and implemented non-destructive testing methods for deep foundations.
5. Responsible for project management, engineering calculations, and complex assignments.
6. Coordinated and monitored subsurface investigation programs and foundation analyses.

EDUCATION

Master of Science in Geotechnical Engineering

📅 Mar / 2012 – Mar / 2015

University of California

📍 Phoenix, AZ

Focused on advanced geotechnical principles and practices, including soil mechanics and foundation design.

SKILLS

Geotechnical Analysis Software

Geotechnical Modeling Tools

Field Investigation Techniques

Seismic Analysis

Geotechnical Design Software

Dynamic Analysis

INTERESTS

🤿 Scuba Diving 🎮 E-sports
📖 Reading Fiction 🧩 Puzzle Solving

STRENGTHS

📋 Stewardship 👥 Teamwork
🔗 Tenacity 📖 Vision

LANGUAGES

English German Japanese

ACHIEVEMENTS

- ★ Led a team that reduced project costs by 15% through efficient geotechnical design.
- ★ Successfully managed over 20 geotechnical projects, achieving 100% on-time delivery.
