Seeking a regional position that will allow for application of current knowledge and promote further growth.

EXPERIENCE

Staff Occupational Therapist III

ABC Corporation - FEBRUARY 2005 - SEPTEMBER 2006

- Assessed childrens developmental progress, specializing in perceptual/sensory motor skills, fine motor skills and activities of daily living.
- Conducted precise assessments of patient condition and functional abilities.
- Aided and counseled patients adjusting to permanent physical disabilities.
- Tested and measured patients strength, motor development and function, sensory perception, functional capacity and respiratory and circulatory efficiency.
- Administered massages and traction to relieve pain, improve comfort levels and decrease or prevent deformity or crippling.
- Recorded detailed prognosis, treatment, responses and progress notes in patient charts.
- Planned individually-designed treatment programs to restore, maintain and improve physical functioning, alleviate pain and prevent disability.

Staff Occupational Therapist

Delta Corporation - 2003 - 2005

- I Evaluated and treated a wide range of conditions, including chronic and acute pain, spinal cord injuries, joint replacements, arthritis, Multiple Sclerosis, Parkinsons, stroke and neuropathies.
- I Monitored and recorded patient progress in response to therapy.
- I Educated patients and family members regarding diagnosis, injury prevention and therapeutic treatments.
- I Planned and administered a range of treatments and therapeutic exercise programs involving active and passive ranges of motion and muscle reeducation.
- I Taught patients uses of wheelchairs, braces, canes, crutches and prosthetic devices.
