PROFESSIONAL SUMMARY

Experienced Steel Erector with 7 years in the field, skilled in interpreting blueprints and ensuring structural integrity. Committed to safety and efficiency, with a proven track record of successful project completion.

WORK EXPERIENCE

Steel Erector II

📅 Jan / 2020-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Constructed steel buildings from blueprints, utilizing various machinery and tools for precision.
2. Identified and resolved construction issues, ensuring quality and safety standards were met.
3. Operated forklifts and man-lifts daily, fabricating additions to existing structures efficiently.
4. Ensured compliance with OSHA regulations, prioritizing the safety of all personnel on site.
5. Fabricated and erected steel structures, collaborating with crews of 2 to 8 workers.
6. Maintained industry certifications for overhead, deck, and vertical stick welding, adhering to local safety procedures.
7. Executed fabrication and erection tasks, contributing to the successful completion of multiple projects.

Steel Erector

📅 Jan / 2018-Jan / 2020

Cactus Creek Solutions

📍 Phoenix, AZ

1. Inspected and prepared steel columns for precise placement, ensuring structural integrity.
2. Utilized boom lifts, scissor lifts, and forklifts, coordinating with crane operators for safe operations.
3. Reviewed blueprints to plan tasks, ensuring compliance with specifications and requirements.
4. Led smaller crews to address challenges, ensuring timely project completion as directed by the foreman.
5. Motivated team members to meet deadlines, fostering a collaborative work environment.

EDUCATION

Associate of Applied Science in Construction Technology

📅 Jan / 2016 Jan / 2018

Purdue University

📍 Toronto, ON

Focused on construction methods, safety protocols, and project management.
