Steel Erector

support@qwikresume.com (123) 456 7899 Los Angeles www.qwikresume.com

## PROFESSIONAL SUMMARY

Experienced Steel Erector with 5 years in structural steel assembly and installation. Proficient in reading blueprints and operating heavy machinery, ensuring safety and quality in all projects.

## WORK EXPERIENCE

### Steel Erector I

WidgetWorks Inc.

Jan / 2022-Ongoing

Denver, CO

- Executed layout and erection of pre-engineered building systems, including insulation and roofing installations.
- Supervised a team of 10, enhancing productivity and maintaining safety standards.
- Operated heavy equipment, including forklifts and man lifts, while adhering to safety protocols.
- Fabricated and erected steel structures, ensuring compliance with engineering specifications.
- Conducted inspections of completed structures to guarantee quality and safety.
- Read and interpreted blueprints and technical drawings for accurate project execution.
- Troubleshoot equipment issues, ensuring minimal downtime and efficient operations.

### Steel Erector

Summit Peak Industries

Jan / 2020-Jan / 2022

Denver, CO

- Utilized industrial forklifts to unload construction materials from delivery trucks efficiently.
- Hoisted and positioned steel beams for secure attachment to building frames.
- Assisted in transporting materials to elevated areas, ensuring timely project completion.
- Facilitated debris removal post-construction, maintaining a clean worksite.
- Collaborated with project managers to track material usage and inventory.

## EDUCATION

### Associate of Applied Science in Construction Technology

Purdue University

Jan / 2018 - Jan / 2020

Denver, CO

Focused on construction methods, safety practices, and project management.

## SKILLS

### Steel Welding

### Mechanical Assembly

### Blueprint Reading

### Heavy Equipment Operation

### Safety Compliance
