PROFESSIONAL SUMMARY

With 2 years of dedicated experience as a Sterile Processing Technician, I specialize in the meticulous sterilization and maintenance of surgical instruments. My focus on safety compliance and efficient operations ensures optimal patient care. I thrive in dynamic environments and am committed to enhancing team collaboration and workflow efficiency.

WORK EXPERIENCE

Sterile Processing Technician

📅 Mar / 2024-Ongoing

WidgetWorks Inc.

📍 Denver, CO

1. Conducted thorough inspections of surgical instruments for cleanliness and functionality, ensuring compliance with safety standards.
2. Managed the ordering and distribution of supplies, maintaining accurate inventory levels to support surgical procedures.
3. Performed routine tests of sterilization equipment, documenting results to ensure operational integrity.
4. Assembled and organized surgical trays in preparation for procedures, confirming the presence of all necessary instruments.
5. Collaborated with surgical teams to ensure timely and effective supply delivery, enhancing workflow efficiency.
6. Maintained detailed records of sterilization processes, contributing to enhanced quality control measures.
7. Participated in continuous training programs to stay updated on best practices in sterile processing and infection control.

Sterile Processing Technician

📅 Mar / 2023-Mar / 2024

Cactus Creek Solutions

📍 Phoenix, AZ

1. Ensured the thorough cleaning and sterilization of medical instruments, adhering strictly to established protocols.
2. Operated and monitored autoclaves, accurately recording data to validate sterilization cycles.
3. Reviewed and confirmed the expiration dates of sterile supplies, preventing the use of outdated materials.
4. Engaged effectively with multidisciplinary teams to support surgical operations and address supply needs.
5. Prepared case carts for daily surgical procedures, ensuring all instruments were present and sterile.
6. Assisted in the training of new staff on sterilization techniques and safety protocols.
