PROFESSIONAL SUMMARY

A proactive student with two years of experience in diverse support roles, eager to bring strong organizational and communication skills to a dynamic internship. Adept at collaborating with teams to enhance project outcomes while committed to personal and professional growth. Excited to contribute to initiatives that foster innovation and positive community impact.

WORK EXPERIENCE

Student Intern

📅 Apr / 2024–Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Completed training on ABS Antilock Brake System and AMT systems, enhancing technical knowledge.
2. Conducted performance testing on hybrid vehicles, contributing to course projects in Advanced Propulsion.
3. Utilized Simulink and Matlab for simulations, gaining proficiency in technical software.
4. Assisted in developing educational programs tailored to clients' needs, improving service delivery.
5. Provided intervention and conflict resolution in the Homework Club, fostering a positive learning environment.
6. Performed general office duties, enhancing organizational and communication skills.
7. Collaborated with teams to define educational goals, improving client outcomes.

Student Intern

📅 Apr / 2023–Apr / 2024

Lakeside Apparel Co

📍 Chicago, IL

1. Participated in the 2016 HBCU tobacco-free campus conference, providing insights for grant applications.
2. Conducted research on tsunami effects at the University of Hawaii, applying fluid dynamics principles.
3. Supported individuals with mental health needs, coordinating services to enhance their well-being.
4. Provided administrative assistance to department chairs, ensuring smooth departmental operations.
5. Collaborated with a team to develop treatment plans, improving client support strategies.
6. Assisted in organizing events to raise awareness about mental health resources.

EDUCATION

Bachelor of Science in Mechanical Engineering

📅 Apr / 2022 – Apr / 2023

University of California, Berkeley

📍 Seattle, WA

Focused on automotive systems and propulsion technologies.
