

# OLIVIA SMITH

## Supply Chain Lead

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

### PROFESSIONAL SUMMARY

Proficient Supply Chain Lead with 5 years of experience in streamlining operations, enhancing supplier collaboration, and optimizing inventory management. Skilled in leading cross-functional teams to achieve strategic objectives and drive cost efficiencies. Passionate about leveraging data-driven insights to improve supply chain processes and foster sustainable growth.

### WORK EXPERIENCE

**Supply Chain Lead** Apr / 2022-Ongoing  
**Pineapple Enterprises** 📍 Santa Monica, CA

- 1. Oversaw demand forecasting, procurement, and inventory management for HVAC units valued at \$250 million annually.
- 2. Develop and implement supply chain strategies to optimize efficiency and reduce costs.
- 3. Designed and implemented an automated scheduling system using SQL to enhance production efficiency.
- 4. Led a network optimization project, successfully rebalancing inventory across the East Coast.
- 5. Coordinated new product introductions and phase-outs in collaboration with marketing, sales, and engineering teams.
- 6. Developed key performance indicators for inventory management and demand forecasting to drive accountability.
- 7. Created dynamic dashboards for senior management to facilitate data-driven decision-making.

**Supply Chain Lead** Apr / 2020-Apr / 2022  
**Lakeside Apparel Co** 📍 Chicago, IL

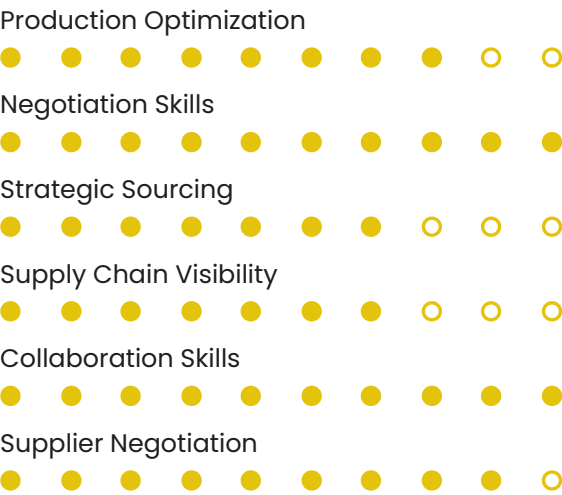

- 1. Transitioned from manual labor to a supply chain role, overseeing material handling and inventory processes.
- 2. Redesigned warehouse layout, enhancing capacity by 25% and accessibility by 40% within the same footprint.
- 3. Reported directly to the Supply Chain Supervisor, providing insights on operational efficiency.
- 4. Supervised a team of supply chain outfitters, ensuring productivity and adherence to safety protocols.
- 5. Implemented a complex nested model leveraging Oracle's Configure-To-Order, reducing supply chain lags.
- 6. Managed customer orders from inception through delivery, ensuring satisfaction and timely fulfillment.

### EDUCATION

**Bachelor of Science in Supply Chain Management** Apr / 2018 - Apr / 2020  
**University of Texas** 📍 Santa Monica, CA

Focused on supply chain optimization, logistics, and procurement strategies.
