PROFESSIONAL SUMMARY

With a robust background of 10 years in tank inspection, I specialize in conducting in-depth evaluations of storage tanks and associated infrastructure within the oil and gas sector. My extensive experience ensures adherence to safety regulations and enhances operational integrity through meticulous quality control and compliance assessments.

WORK EXPERIENCE

Tank Inspector Jan / 2019-Ongoing
Blue Sky Innovations Chicago, IL

- Conducted comprehensive inspections of refinery equipment, including heat exchangers, tanks, piping, and towers, ensuring adherence to industry standards.
- Collaborated with management to procure new inspection equipment, enhancing operational capabilities.
- Managed the PMI program to ensure compliance with material specifications and field applications.
- Performed regular quality assurance inspections on installed materials, guaranteeing operational safety and integrity.
- Maintained and organized all inspection documentation, including isometric drawings of pipes and equipment for future reference.
- Communicated inspection results effectively, ensuring traceability of data in both print and electronic formats.
- Trained junior inspectors on best practices and regulatory requirements, fostering a culture of safety and compliance.

Tank Inspector Jan / 2015-Jan / 2019
Crescent Moon Design Portland, OR

- Executed precise sampling and measurement of shore tanks in compliance with company and API procedures.
- Calculated and reported quantities transferred, ensuring full reconciliation of data.
- Completed all required documentation accurately and promptly, maintaining thorough records.
- Coordinated with client representatives and regulatory agencies to ensure accurate inspection results.
- Maintained open communication with office staff regarding job status and any arising issues.

EDUCATION

Bachelor of Science in Engineering Jan / 2012-Jan / 2015
University of Houston Denver, CO

Focused on engineering principles and practices relevant to the oil and gas industry.
