## EXPERIENCE

### Tennis Professional III

#### Self-Employed - DECEMBER 1997 - 2020

- Responsible for developing a program for your students, whether private or large Mens and Womens teams, that would allow them to progress and improve in all phases of the game.
- Each student is entirely different, so individual decisions have to be made as to their ability levels and commitment to excel.
- Taught Professional is just as much instructional as it is a lot of times being a motivator, counselor, psychologist, or just someone that can be a listening ear, so to speak.
- Trained a good number of kids who went on to college scholarships.
- Coached through the years, a lot of them have continually made it to the playoffs and even further into the ALTA City Finals.
- Helped install in both the juniors and thee adults.
- Helped them achieve a goal whether that was a playoff spot or just continued improvement of a game they love and enjoy.
