ACHIEVEMENTS

- 🌟 Improved vehicle performance metrics by 20% through rigorous testing and analysis.
- 🌟 Developed a comprehensive testing procedure that reduced testing time by 15%.

PROFESSIONAL SUMMARY

Results-oriented Test Driver Specialist with 5 years of extensive experience in vehicle performance testing and data analysis. Proficient in executing complex testing protocols and enhancing vehicle safety features. Strong collaborator known for producing detailed reports and ensuring compliance with industry standards. Passionate about advancing automotive technology and driving continuous improvement.

WORK EXPERIENCE

Test Driver Specialist 📅 Mar / 2021-Ongoing
Quantum Solutions LLC 📍 Phoenix, AZ

1. Identified and diagnosed vehicle issues, including drivability and electrical system problems, enhancing overall performance.
2. Conducted thorough evaluations on test tracks, documenting observations to inform engineering teams.
3. Executed detailed performance assessments to ensure compliance with automotive safety standards.
4. Collaborated with engineers to refine test methodologies, improving accuracy and efficiency.
5. Utilized data analytics to assess vehicle behavior and recommend improvements.
6. Maintained test equipment and ensured compliance with safety regulations.
7. Provided feedback on vehicle performance to enhance design and functionality.

Test Driver II 📅 Mar / 2020-Mar / 2021
Silver Lake Enterprises 📍 Seattle, WA

1. Supplied critical data for regulatory submissions, ensuring compliance with industry standards.
2. Authored technical documentation and reports detailing test results and methodologies.
3. Performed routine inspections on vehicles to identify damage or defects prior to testing.
4. Investigated and resolved discrepancies in test results, enhancing data integrity.
5. Conducted visual inspections and analyses of vehicles post-testing to ensure quality assurance.
6. Completed essential documentation to support testing procedures, including data capture and equipment logs.

EDUCATION

Bachelor of Science in Automotive Engineering 📅 Mar / 2019 - Mar / 2020
University of Michigan 📍 Chicago, IL

Focused on automotive design, testing methodologies, and performance analysis.
