PROFESSIONAL SUMMARY

Skilled TIG welder with two years of experience specializing in stainless and carbon steel welding. Proficient in reading blueprints and executing precise welds while ensuring compliance with safety protocols. Passionate about enhancing welding techniques and contributing effectively to team goals in a fast-paced environment.

WORK EXPERIENCE

Tig Welder

📅 Apr / 2024-Ongoing

Blue Sky Innovations

📍 Chicago, IL

- Executed TIG welding on stainless and carbon steel components for various applications.
- Interpreted blueprints and specifications to ensure precision in welds and fabrication.
- Maintained and calibrated welding equipment to meet industry standards.
- Utilizes proper safety gear and follows safety protocols to minimize workplace hazards.
- Repairs and fabricates metal components using TIG welding processes.
- Documented daily production metrics for performance tracking.
- Trained new employees on welding techniques and safety protocols.

Tig Welder

📅 Apr / 2023-Apr / 2024

Summit Peak Industries

📍 Denver, CO

- Specialized in fitting and welding diverse metals including titanium and aluminum.
- Executed detailed cutting, grinding, and finishing processes for optimal product quality.
- Maintained a clean and organized work area, ensuring safety compliance.
- Utilized measuring tools to verify dimensions and specifications accurately.
- Assisted in troubleshooting and repairing welding equipment.
- Participated in team meetings to discuss project progress and safety updates.

EDUCATION

Diploma in Welding Technology

📅 Apr / 2022-Apr / 2023

Technical Institute of Welding

📍 Phoenix, AZ

Comprehensive training in various welding techniques, safety protocols, and blueprint reading.
