## PROFESSIONAL SUMMARY

Talented TIG welder with two years of experience in fabricating and welding stainless and carbon steel components. Adept at reading technical drawings and ensuring precision in weld quality while upholding safety standards. Driven to improve processes and collaborate effectively within a team-oriented environment.

## WORK EXPERIENCE

**Tig Welder** Apr / 2024-Ongoing  
Maple Leaf Consulting Toronto, ON

- 1. Executed precise TIG welding on stainless steel and carbon steel components, ensuring adherence to specifications.
- 2. Collaborated with team members to assemble and fit components prior to final welding.
- 3. Utilized industrial tools for cutting and shaping materials to required dimensions.
- 4. Maintained a clean and organized workspace to enhance safety and efficiency.
- 5. Inspected finished products for quality assurance, ensuring compliance with industry standards.
- 6. Participated in training sessions to enhance welding techniques and safety protocols.
- 7. Adapted to various welding projects, demonstrating flexibility and problem-solving skills.

**Tig Welder I** Apr / 2023-Apr / 2024  
Cactus Creek Solutions Phoenix, AZ

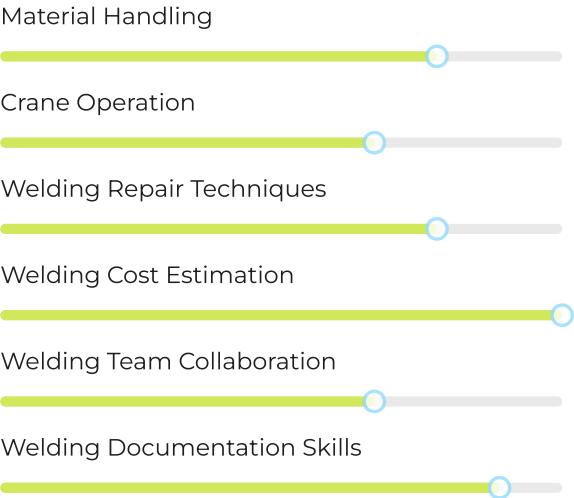

- 1. Performed TIG welding on various metals, including aluminum and stainless steel, ensuring high-quality finishes.
- 2. Executed tube welding and return bends, maintaining structural integrity and precision.
- 3. Successfully obtained ASME certification for welding standards and practices.
- 4. Implemented lean manufacturing methods to optimize workflow and reduce waste.
- 5. Constructed refrigeration coils and systems according to technical specifications.
- 6. Collaborated with engineering teams to develop effective welding setups and jigs.

## EDUCATION

**Diploma in Welding Technology** Apr / 2022-Apr / 2023  
Tech Institute of Welding Phoenix, AZ

Completed coursework in advanced welding techniques, safety protocols, and blueprint reading.
