### Objective

Senior Transportation Security Officer with over 08 years of experience in administration, security, and management. Demonstrated experience in organization, instruction, and leading teams. Extensive conflict management experience. Proven administrative skills, prepare correspondence and reports, communicate effectively with others, and coordinate efforts among colleagues and supervisory personnel. Excellent interpersonal skills, able to lead a diverse group of officers in a fast-paced work environment.

### Skills

Surveillance, Security, CCTV, Microsoft Office, Windows 7, Windows XP, Customer Service, Safety, Reporting

### Work Experience

#### Senior Transportation Security Officer

**ABC Corporation** - May 2014 - August 2015

- Screened passengers and accessible property moving through security checkpoints by using any combination of hands-on and other advanced imaging technology techniques.
- Reported detailed findings or incidents to management or law enforcement to help identify weaknesses in established protocol or flaws in terminal and equipment design.
- Conducted facial recognition and analyze identification materials to distinguish potential security risks.
- Observed and analyze the behavior of travelers to identify potential security risk within the airport.
- Implemented security-screening procedures, monitoring the flow of traffic, and screening passengers, and baggage, to ensure the protection of the traveling public.
- Expected to display honesty and flexibility, be accountable, work well with a team and have strong communication skills.
- Conducted all duties with a focus on customer service, while assisting passengers who have questions or special needs.

#### Senior Transportation Security Officer

**ABC Corporation** - 2005 - 2013

- Operated various screening equipment and technology to identify dangerous objects in baggage, cargo and on passengers, and preventing those objects from being transported onto aircraft.
- Performed searches and screening, which may include physical interaction with passengers (e.g., pat-downs, the search of the property, etc.).
- Conducted bag searches and lifting/carrying bags, bins, and property weighing up to 50lbs.
- Controlled terminal entry and exit points.
- Interacted with the public, giving directions and responding to inquiries.
- Maintained focus and awareness while working in a stressful environment which includes noise from alarms, machinery and people, crowd distractions, time pressure, and disruptive and angry passengers, in order to preserve the professional ability to identify and locate

potentially life threatening or mass destruction devices, and to make effective decisions in both crisis and routine situations.
