PROFESSIONAL SUMMARY

Accomplished Tree Removal Specialist with 5 years of extensive experience in safe tree trimming, removal, and maintenance. Expert in operating heavy machinery and adhering to strict safety protocols. Driven to enhance landscape aesthetics while ensuring compliance with environmental regulations. Eager to apply my skills to a dedicated team focused on delivering high-quality tree care services.

WORK EXPERIENCE

Tree Removal Specialist
Blue Sky Innovations

📅 Mar / 2022-Ongoing
📍 Chicago, IL

- Trimmed and removed trees according to utility specifications, ensuring safety and compliance.
- Supervised and assisted cleanup crews to maintain operational efficiency and safety.
- Utilized climbing gear to access and safely manage tree work at heights.
- Cabled and braced trees to provide structural support where necessary.
- Hoisted tools and equipment to tree trimmers while safely lowering branches.
- Conducted thorough assessments to identify potential hazards in tree care operations.
- Collaborated with team members to enhance overall service delivery and safety protocols.

Tree Trimmer/Analyst
Crescent Moon Design

📅 Mar / 2020-Mar / 2022
📍 Portland, OR

- Safely cut away dead, obstructive, or excess branches from trees and shrubs.
- Operated chainsaws and coordinated work crews to efficiently remove limbs.
- Climbed trees using safety devices to execute precise limb removals.
- Pruned trees and shrubs using various hand tools for optimal health and aesthetics.
- Employed lifts and power tools to access high areas for effective tree maintenance.
- Cleared debris and removed large limbs for proper disposal and site safety.

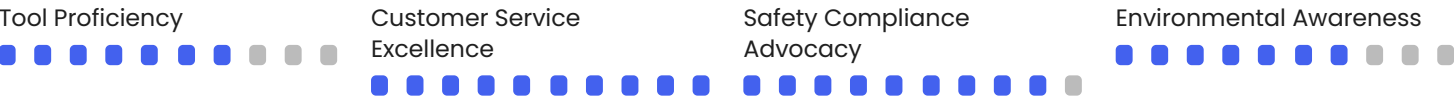

EDUCATION

Associate of Applied Science in Forestry
Greenwood Community College

📅 Mar / 2018-Mar / 2020
📍 Denver, CO

Focused on tree care, maintenance, and environmental regulations.
