### PROFESSIONAL SUMMARY

Experienced Triage Nurse with over 10 years in high-stress healthcare environments. Proficient in rapid patient assessment and prioritization of care needs, ensuring timely interventions. Dedicated to enhancing patient outcomes through effective communication and collaboration with interdisciplinary teams, consistently striving for operational excellence.

### WORK EXPERIENCE

#### Triage Nurse II

📅 Jan / 2019-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Provided comprehensive care to patients aged 15 and older, ensuring accurate triage and timely treatment.
2. Collaborated with medical staff on the internal medicine unit to coordinate patient care efficiently.
3. Managed and treated a range of health issues, from common illnesses to complex chronic conditions.
4. Administered medications and therapies, ensuring adherence to treatment protocols.
5. Coordinated equipment needs for patient care, optimizing resource utilization.
6. Verified pre-certifications for procedures, liaising with clinic doctors to streamline patient processes.
7. Maintained accurate clinical documentation to support clinical decision-making and patient care continuity.

#### Triage Nurse

📅 Jan / 2015-Jan / 2019

Crescent Moon Design

📍 Portland, OR

1. Conducted initial assessments for all patients, prioritizing care based on severity and clinical guidelines.
2. Utilized extensive clinical training to determine injury severity and direct patient care effectively.
3. Implemented nursing interventions and emergency protocols to enhance patient safety and outcomes.
4. Monitored patients in the waiting area, ensuring timely reassessment and intervention as necessary.
5. Educated patients and families on health management and preventative care strategies.

### EDUCATION

#### Bachelor of Science in Nursing

📅 Jan / 2012-Jan / 2015

Springfield University

📍 Denver, CO
