PROFESSIONAL SUMMARY

Dedicated and skilled underground miner with over 2 years of experience in operating heavy machinery and ensuring safety protocols. Proven ability to work effectively in high-pressure environments while maintaining productivity and quality.

WORK EXPERIENCE

Underground Miner Jan / 2024-Ongoing
Blue Sky Innovations 📍 Chicago, IL

- 1. Operated various underground mining equipment, including roof bolters and continuous miners, ensuring safe and efficient material extraction.
- 2. Monitored equipment performance, identifying and resolving issues to prevent operational delays.
- 3. Conducted routine maintenance on machinery, replacing worn parts and lubricating components to ensure optimal performance.
- 4. Coordinated with team members to adjust equipment speeds based on operational needs, enhancing workflow efficiency.
- 5. Maintained a clean and safe work environment by removing debris and ensuring proper waste disposal.
- 6. Implemented safety measures to prevent cave-ins, including the installation of roof supports and proper positioning of jacks.
- 7. Trained new team members on equipment operation and safety protocols, fostering a culture of safety and teamwork.

Underground miner Jan / 2023-Jan / 2024
Cactus Creek Solutions 📍 Phoenix, AZ

- 1. Drilled precise bolt holes in mine roofs, ensuring structural integrity and safety.
- 2. Utilized hydraulic bolting machines to install bolts securely, maintaining specified tension levels.
- 3. Conducted thorough inspections of installed bolts, ensuring compliance with safety standards.
- 4. Positioned safety jacks effectively to support mine roofs during bolting operations.
- 5. Operated bolting machines, inserting drill bits and adjusting settings for optimal performance.
- 6. Collaborated with team members to ensure timely completion of bolting tasks, enhancing overall productivity.
- 7. Maintained detailed records of bolting operations and equipment maintenance for compliance and safety audits.

EDUCATION

Diploma in Mining Technology Jan / 2022-Jan / 2023
Western Mining Institute 📍 Phoenix, AZ

Focused on underground mining techniques, safety protocols, and equipment operation.

SKILLS

ACHIEVEMENTS

- 🌟 Improved safety compliance by 20% through rigorous training and adherence to protocols.
- 🌟 Successfully completed over 100 shifts without any safety incidents.
- 🌟 Enhanced operational efficiency by 15% through effective equipment management.
