Objective

An innovative, resourceful, and dynamic producer with a clear, unique vision for conceptualizing, developing, and executing stylized video content across all platforms. Effectively utilize the latest video production technologies.

Skills

Video Editing, Video Production.

Work Experience

Video Producer

ABC Corporation - August 2005 - May 2010

- Managed all aspects of production during large-scale operations such as the MLB Postseason including budgets.
- Planned and coordinated the production of the original video for distribution.
- Selected as the sole producer for a multimillion-dollar sponsorship-based project with AT&T and delivered original historical video segments.
- Recognized as the go-to person for MLB teams and public relations personnel in securing interviews and feature content.
- Created, developed, and completely produced an eight-part mini-documentary on baseball in the Dominican Republic in conjunction.
- Booked guests, managed rundowns, and directed post-production of assets.
- Ensured consistent production excellence and responsiveness in fast-paced and high-stress environments.

Video Producer

ABC Corporation - 2000 - 2005

- Filmed nearly all the shots and edited two episodes of a documentary/news-style show.
- In one episode I explore the lives of drag queens.
- Conducted nine interviews and collected b-roll.
- Used Premiere Pro to edit my video and included my own voice-over.
- My other video is focused on mixed-martial artists and the safety risks they face.
- Interviewed six different fighters and investigated if the harm caused from sport outweigh the benefits.
- Both episodes include a round-table discussion, which I served as a correspondent and asked 20 minutes on on-the-spot questions..

Education

BA in Psychology - (University of Virginia - Charlottesville, VA)
