OLIVIA SMITH

Welder Fabricator

PROFESSIONAL SUMMARY

Skilled Welder Fabricator with 7 years of extensive experience in precision welding and fabrication. Demonstrated ability to execute complex projects while ensuring adherence to safety and quality standards. Committed to continuous improvement and contributing to team success through innovative solutions and effective collaboration.

WORK EXPERIENCE

Welder Fabricator

Apr/2021-Ongoing

Blue Sky Innovations

T Chicago, IL

- 1. Executed precision welding and fabrication tasks, ensuring strict adherence to specifications and quality standards.
- 2. Collaborated with engineering teams to interpret blueprints and develop effective fabrication strategies.
- 3. Conducted routine maintenance and repairs on welding equipment to ensure optimal performance.
- 4. Implemented safety protocols, contributing to a zero-accident workplace.
- 5. Participated in continuous improvement initiatives, enhancing operational efficiency.
- 6. Provided training and guidance to junior welders, fostering skill development.
- 7. Maintained accurate records of work performed, materials used, and project timelines.

Crescent Moon Design

∓ Portland, OR

- 1. Welded stainless aluminum using TIG and MIG techniques, ensuring high-quality finishes.
- 2. Performed machining operations utilizing lathes and mills, integrating CNC processes when necessary.
- 3. Fabricated sheet metal components for a variety of applications, showcasing versatility in production.
- 4. Overhauled and repaired headers and threaders, demonstrating strong troubleshooting skills.
- 5. Enhanced machining practices through hands-on learning and practical application.
- 6. Utilized advanced welding techniques, particularly on Inconel materials.

EDUCATION

Associate of Applied Science in Welding Technology

m Apr/2015-Apr/2018

Tech Institute of Welding

∓ Seattle, WA

Focused on advanced welding techniques and safety practices.

SKILLS

ACHIEVEMENTS

Achieved a 20% reduction in fabrication time through process optimization.

Successfully completed over 100 high-stakes welding projects with zero safety incidents.

1 Improved product quality by implementing stringent inspection protocols.
