Objective

To obtain a Welding helper position where my knowledge in shop safety can ensure efficiency and the techniques I have acquired can produce quality projects. I would like to find a position that will afford me the ability to grow and advance as well. Performing all tasks and duties in harmony with other employees to create and maintain a safe working environment.

Skills

Welding, Microsoft Access.

Work Experience

Welding helper

ABC Corporate - June 2011 – 2022

- Weld components in flat, vertical, or overhead positions.
- Completed production reports to communicate team production level to management.
- Maintained production equipment and machinery.
- Operated machinery and heavy equipment, such as forklifts.
- Adjusted, repaired, and serviced farm machinery and notified supervisors when machinery malfunctions.
- Monitored the fitting, burning, and welding processes to avoid overheating of parts or warping, shrinking, distortion, or expansion of material.
- Recognized, set up, and operated hand and power tools common to the welding trade, such as shielded metal arc and gas metal arc welding equipment.

Welding helper
