ACHIEVEMENTS

★ Achieved zero safety incidents during vehicle operations over a 7-year period.

★ Successfully trained new personnel on vehicle operation and safety protocols.

PROFESSIONAL SUMMARY

With 7 years of experience as a Wheeled Vehicle Operator, I excel in the safe operation and maintenance of diverse vehicle types. My expertise includes performing thorough inspections, adhering to safety protocols, and optimizing logistics for operational efficiency. I am dedicated to achieving mission success while fostering a culture of teamwork and safety in high-pressure environments.

WORK EXPERIENCE

Wheeled Vehicle Operator

📅 Jun / 2021-Ongoing

WidgetWorks Inc.

📍 Denver, CO

1. Operated wheeled vehicles with a gross vehicle weight of over 10,000 pounds, ensuring compliance with safety regulations.
2. Transported various materials, including heavy loads, while maintaining vehicle stability and safety.
3. Navigated complex routes across diverse terrains, optimizing travel time and fuel efficiency.
4. Performed routine maintenance checks and repairs, ensuring vehicles remained in optimal working condition.
5. Executed safety protocols, reducing incident rates and promoting a culture of safety.
6. Documented vehicle operation logs and maintenance records for compliance and performance tracking.
7. Collaborated with team members to coordinate logistics and ensure timely deliveries.

Wheeled Vehicle Operator

📅 Jun / 2018-Jun / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Conducted preventative maintenance on light and medium military logistical vehicles, ensuring operational readiness.
2. Followed directives from leadership while executing vehicle operations with minimal supervision.
3. Adapted to dynamic environments, demonstrating the ability to operate independently under challenging conditions.
4. Maintained a perfect safety record with zero incidents during transport operations.
5. Supported organizational maintenance goals, enhancing overall logistics efficiency.
6. Trained personnel in vehicle operations and emergency procedures, promoting safety awareness.

EDUCATION

Associate of Applied Science in Automotive Technology

📅 Jun / 2015 Jun / 2018

Technical Institute of America

📍 Phoenix, AZ

Focused on vehicle maintenance and repair, with hands-on training in automotive systems.
