Wildland Firefighter - Supervisor

SUMMARY

To secure a position as a firefighter where one can contribute the extensive knowledge, skills, and experience to an outstanding and exceptional department that prioritizes its commitment to the safety of the community. To work in an organization with a challenging and competitive environment, where one can achieve work satisfaction and desired career growth through perpetual learning and personal development.

SKILLS

Billing, Sawyer, Wildland Firefighter, Instructor.

WORK EXPERIENCE

Wildland Firefighter - Supervisor

ABC Corporation - May 2011 - March 2014

- Developed a working knowledge of fire suppression and fuels management techniques, practices, and terminology.
- Carried out special assignments such as a tree falling, backfire, and burnout operation.
- Utilized a variety of specialized tools, equipment, and techniques while actively responding to fires.
- Achieved knowledge of Minimal Impact Suppression Tactics (MIST), worked with Resource Natural Area (RNA) specialists.
- Responded to multiple in and out-of-state wildland fires, Type 2 to 5.
- Responded to flood relief efforts; constructed protection using sandbags and operated large portable pumps.
- Performed natural disaster relief aid; assisted with municipal clean-up of broken trees and other scattered debris.

Wildland Firefighter

ABC Corporation - 2008 - 2011

- Maintain contact with fire dispatchers at all times in order to notify them of the need for additional firefighters and supplies, or to detail any difficulties encountered.
- Collaborate with other firefighters as a member of a firefighting crew.
- Patrol burned areas after fires to locate and eliminate hot spots that may restart fires.
- Extinguish flames and embers to suppress fires, using shovels, or engine- or hand-driven water or chemical pumps.
- Assist with invasive species management on project-related work.
- Protection of sensitive plant species through project-related work.
- This is Dummy Description data, Replace with job description relevant to your current role.
