PROFESSIONAL SUMMARY

Accomplished Wind Turbine Technician with 10 years of extensive experience in the maintenance and repair of turbine systems. Proven ability to troubleshoot complex mechanical and electrical issues while ensuring adherence to safety protocols. Passionate about optimizing operational efficiency and contributing to the advancement of renewable energy solutions.

WORK EXPERIENCE

Wind Turbine Technician-Supervisor

📅 Jan / 2019-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Conduct thorough inspections of wind turbines, identifying faults and necessary repairs.
2. Perform troubleshooting on electrical, hydraulic, and mechanical systems to ensure optimal performance.
3. Climb turbines to execute repairs and replace components, adhering to safety standards.
4. Utilize SCADA systems for monitoring turbine status and logging maintenance activities.
5. Oversee major component repairs utilizing cranes for efficient execution.
6. Document maintenance activities and fault resolutions in log sheets.
7. Collaborate with team members to enhance operational strategies and improve safety practices.

Wind Turbine Technician

📅 Jan / 2015-Jan / 2019

Lakeside Apparel Co

📍 Chicago, IL

1. Inspect and repair turbine blades, ensuring structural integrity and performance.
2. Troubleshoot mechanical and electrical malfunctions in turbine systems.
3. Climb towers to conduct routine maintenance and repairs on turbine equipment.
4. Diagnose issues related to wind turbine generators and control systems.
5. Perform maintenance on underground transmission systems and substations.

EDUCATION

Associate of Applied Science in Wind Energy Technology

📅 Jan / 2012 - Jan / 2015

Green Energy Institute

📍 Portland, OR

Focused on wind turbine technology, maintenance, and safety practices.

SKILLS

Acciona Tech | 1.5MW Maintenance

Gamesa Tech | G90x 2MW Troubleshooting

SCADA system operation

Electrical wiring skills

Torque wrench proficiency
