## SKILLS

Field Data Interpretation

Data Analysis With Matlab

Reservoir Engineering Modeling

Regulatory Compliance

Risk Assessment

Troubleshooting Skills

## INTERESTS

📖 Birdwatching 🧳 Traveling

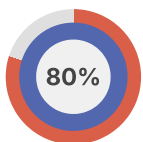

🏠 Sports Coaching 🏆 Knitting

## STRENGTHS

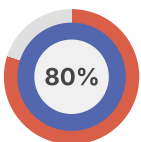

🔧 Pragmatism 🍃 Sensitivity

💖 Sincerity 📌 Stability

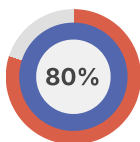

## LANGUAGES

English

Italian

Mandarin

## ACHIEVEMENTS

🌟 Achieved a 15% increase in operational efficiency through refined processes and training.

🌟 Successfully led a team in executing over 100 well-site operations with zero safety incidents.

## PROFESSIONAL SUMMARY

Proficient Wireline Services Engineer with 5 years of extensive experience in downhole operations and equipment management. Skilled in enhancing safety protocols and operational efficiency while delivering high-quality service. Focused on building strong client relationships and ensuring compliance with industry standards for successful project execution.

## WORK EXPERIENCE

### Wireline Services Engineer

📅 Mar / 2021-Ongoing

📍 Santa Monica, CA

Seaside Innovations

1. Executed downhole operations with precision, ensuring adherence to safety regulations and operational guidelines.
2. Managed wireline crews effectively, enhancing team performance and safety compliance.
3. Conducted thorough safety evaluations before, during, and after well service operations.
4. Ensured proper use of PPE and adherence to safety rules among all personnel.
5. Maintained and cleaned tools and equipment to ensure optimal performance.
6. Facilitated regular safety meetings to promote a culture of safety and awareness.
7. Monitored operational processes, identifying and mitigating potential risks.

### Wireline Engineer

📅 Mar / 2020-Mar / 2021

📍 Portland, OR

Crescent Moon Design

1. Supervised the rigging up and down of wireline equipment, ensuring operational readiness.
2. Performed pump downs of perforating guns and plugs, optimizing performance at each site.
3. Conducted safety evaluations and risk assessments, enhancing operational safety.
4. Trained personnel on wireline operations and safety protocols, improving team efficiency.
5. Led operational planning for wireline projects, ensuring timely execution.
6. Collaborated with cross-functional teams to optimize service delivery.

## EDUCATION

### Bachelor of Science in Petroleum Engineering

📅 Mar / 2019 - Mar / 2020

University of Houston

📍 Portland, OR

Focused on drilling engineering, reservoir management, and production optimization.
