👤 PROFESSIONAL SUMMARY

Enthusiastic Youth Care Specialist with five years of experience supporting at-risk youth through individualized care and development programs. Proven ability to create safe environments that foster personal growth and resilience. Dedicated to implementing effective strategies that enhance emotional well-being and empower young individuals to thrive.

💼 WORK EXPERIENCE

Youth Care Specialist II

📅 Jun / 2022-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Documented observations and interventions, ensuring accurate progress notes for each youth.
2. Engaged families in treatment planning and progress discussions, enhancing support networks.
3. Proactively identified and mitigated potential crisis situations, applying de-escalation techniques effectively.
4. Maintained a secure environment by enforcing safety protocols and conducting regular safety checks.
5. Coordinated transportation for youth to medical appointments and community programs as needed.
6. Facilitated group discussions and community meetings, encouraging youth participation and voice.
7. Utilized knowledge of adolescent development to tailor interventions that address individual needs.

Youth Care Specialist II

📅 Jun / 2020-Jun / 2022

Cactus Creek Solutions

📍 Phoenix, AZ

1. Collaborated with youth to develop strategies that improve family dynamics and personal growth.
2. Provided direct care and supervision in a juvenile rehabilitation facility, ensuring safety and compliance.
3. Oversaw daily activities, maintaining order and providing guidance through positive reinforcement.
4. Prepared detailed reports on incidents and youth behavior, ensuring compliance with facility regulations.
5. Managed documentation for all programs, maintaining accurate records of youth interactions and incidents.
6. Worked closely with treatment teams to foster positive relationships and effective communication.

🎓 EDUCATION

Bachelor of Science in Psychology

📅 Jun / 2018-Jun / 2020

University of Springfield

📍 Denver, CO

Focused on behavioral science and adolescent development, enhancing understanding of youth psychology.
